MEMORANDUM

Date: December 21, 2017
To: All Trial Courts
From: Thomas P. Clement
Subject: Michigan Department of State Preliminary Injunction

Pursuant to a preliminary injunction issued against the Michigan Department of State (MDOS), at this time MDOS is no longer allowed to suspend the driver's licenses of people unable to pay their traffic debt. [Please see the MDOS memo.](#)

MDOS is appealing this decision. In the interim, courts should still comply with the statutory mandates requiring courts to notify MDOS when a defendant has failed to appear or comply with a judgment. MCL 257.321a.

If a defendant contests his ability to pay a court-ordered financial obligation, the determination of ability to pay is a judicial determination. Courts may set the matter for a hearing on the ability-to-pay issue and render a decision. The ability-to-pay assessment is necessary when the imposition of a court-ordered financial obligation is enforced and the defendant contests his ability to pay. See *People v Jackson*, 483 Mich 271 (2009).

If the court determines the defendant does not have the ability to pay and the defendant's license is suspended, MDOS requests that the court notify MDOS to clear the suspension. The driver's license clearance fee should be waived. If you have questions, please contact Julia Norton at 517-373-8995 or TrialCourtServices@courts.mi.gov.

SUBJECT: PA 162 (SB 436 -2017) Sobriety Court Restricted License Amendment

Effective February 11, 2018, PA162 (SB 436 -2017) amends MCL 257.304 certification of DWI/Sobriety Court by the State Court Administrative Office; amends the vehicle code to reflect:

Also adds (4)(b)(xi) to restrictions which states- At the discretion of the judge, the custodian of a minor child may drive to and from the facilities of a provider of day care services at which the custodian's minor child is enrolled, or an educational institution at which the custodian's minor child is enrolled as a student for the purposes of classes, academic meetings or conferences, and athletic or other extracurricular activities sanctioned by the educational institution in which the minor child is a participant. As used in this subparagraph, "minor child" means an individual who is less than 18 years of age.

The Michigan Department of State is currently working with the State Court Administrative Office to update the MC-393 form to reflect the option of adding this restriction. Until the form can become amended, the MDOS will only accept a court order including the participant's name, driver license number and date of birth.
