**Subject:** RE: External: Amend Failure to Disclose CPL Status

I believe that pursuant to LaFay and MCR 6.302(D)(1), I think it can to be amended to anything that the officer or prosecutor offers, there would just need to be a sufficient factual basis for the original crime. There are a few civil infractions for guns within the DNR rules. A good charge we have used is R299.922 (penalty is 324.504). There are several selections within that rule that you could use.

Good morning,

Can a civil infraction of Failure to Disclose CPL Status get amended down to anything? Thanks.  
Everyone stay safe.
