

Hi Steve. I wondering if you couldn't have a clerk sign the proof of service and mail just like we do with civil litigation. Brennan

Subject: Summons

Hello everybody:

I am curious how your courts are handling the new summons requirement. Our PA office talked to us about mailing them out after I sign them, which I agreed to do. However, I did not take into account the proof of service requirement. Now I am thinking I should just fill in the date, sign the paperwork, and send it back to them for mailing.

Any thoughts would be appreciated.

Thanks:
