Hello list mates:

Do you allow law enforcement to send you the search warrant returns/tabulations via facsimile and/or email and/or send a copy of the document in snail mail?

Some of the officers have recently started sending copies of the returns and tabulations rather than providing us with the signed originals. They are sending the copies via fax, mail, etc...

Anyway, it was my understanding that law enforcement should be sending the original returns and tabulations to us and not copies. If that is not the case, please let me know.

As always, any insight you have would be appreciated.

Thanks,

Katrina Martin
90th District Court
Attorney Magistrate
