Hello all-

Our local Sheriff's department is trying to go to electronic tickets and reached out to me to see if I knew of any online databases/programs for them. What do your local agencies use? Here only MSP writes e-tickets currently so that is the only program I am familiar with. Any advice/suggestions would be greatly appreciated because it would make things a lot easier if more agencies could switch over to electronic ticket filing!

Thank you & Happy New Year,

Michelle

Our local Sheriff and local City PD both write electronic tickets. They worked with IyeTek, same as our MSP uses.

We use Aptean (originally APS) plus Iyetek for MSP. We are a JMS Court and both integrate.

Thanks.

54A in Lansing uses Iyetek for LPD and for MSP. I can direct you to our criminal/traffic manager if you have any questions.
