We would like to review the orders of appointment for both lay and attorney magistrates because we will be updating ours at 62B Kentwood District Court to add the ability to do summons. Can you share with Magistrate Brinks at Bri...@kentwood.us if you are willing. We want to give Judge Sterkenburg an idea or two to consider. Help is much appreciated. We plan to roundtable sometime in late June. Thanks

Check with the District Court specialists at SCAO, they will have recommended Orders for both scenarios.

Thank you. We have those orders. What Magistrate Brinks is requesting, if there are any suggestions/wants/needs for additional additions/changes to our LAOs others would like SCAO to consider.

The SCAO models have the maximum authority you can give a District Court Magistrate. The Chief Judge can further limit the authority, but cannot expand beyond what is in the SCAO model.
