Good morning!

I am assuming most counties have a pre-set bond list. I am working on redoing ours and was wondering if anyone would be willing to share theirs with me.

Thanks!

The 52-4 District Court does not have a preset bond list. Every case is individually determined. With the new statutes of basically "catch and release," the magistrates look at each case when a person is arraigned.

As Sheldon Larky stated, this is how the 82nd in Ogemaw County handles bonds as well.
