Our judge is asking me to put this out to your courts. Do your District Court probation officers do home visits and do they wear body cams?

No body cams but would have an officer accompany them.

No.

But in an appropriate circumstance they might take a deputy with them and the dep would certainly have a body cam.

47th DC and 52-2 DC used to do some home visits, for sobriety court cases, but not since Covid. And not even all that often before Covid. The POs always had police escorts, so no body cams.
