We have a case where a defendant was arrested for operating a motorboat while under the influence, charged as a third-offense, with two prior operating a boat while impaired convictions.

Is this a FD case-type code, or FY?

Any thoughts...

FD just verified that marine OWI case types are SD & FD (or ordinance) with Bobbi Morrow.

Thank you very much Norene. This is the first third-offense OWI boating charge we've received since I've been here.
