How do you guys have your speeding ticket in construction zone broken down? Is it more of a fine than a normal speeding ticket? And what code is it in your system? Thank you!

Sara A. Ribble

Magistrate

Gogebic County District Court

We do charge more for construction zone in the fine than our regular speeding tickets. The break down for 1-5 construction is \$40 state costs \$20 fine and \$75 costs – reg costs for regular 1-5 speed is \$125 construction – is \$135

For 6-10 over we charge \$20 more in fine than our regular speed. \$40 sc, \$40 fine and \$100 costs regular costs for 6-10 speed is \$160 construction speed is \$180

For 11-15 over we charge \$20 more in fine than our reg speeding. \$40 sc, \$70 fine and \$100 costs regular costs for 11-15 speed is \$190 construction speed is \$210

Doubling our fine portion only on the construction speeds.

For anything over that the costs is \$240 for both speeds.

Sherry Loynes

In Genesee County we double just the fine portion as well. The “regular” fine portion on speeding tickets is \$10, and the CZ fine portion is \$20, so the overall cost of a ticket is \$10 more in a construction zone. We add a different “sub code” in our system for CZ tickets.
